Use of Access Keyboards

💡 The access code is personal and non-transferable and you will receive it by e-mail or from the port administration.

1. ENTRANCE	🔢 Enter your personal code on the keypad.
	✅ If the code is accepted, the open padlock symbol lights up green and is accompanied by an acoustic signal.
	❌ If there is no authorization for that sector, the closed padlock symbol lights up red and is accompanied by a flashing acoustic signal.

2. EXIT	🚶 The exit from the pontoons is activated by pressing a green illuminated button on the first turret on the left side.

3. DRESSSING ROOMS	🔢 Re-enter your personal access code using the keypad located on the left side of the access door.
